

Hi All

Over the last 5 Thursdays, since lockdown began, I have heard a number of neighbours suggest that we follow the "Clapping for Carers" at 8pm with a "bit of a singalong!"

I've got a PA system and a guitar so here goes nothing!

I've chosen a couple of (hopefully) uplifting songs which I guess most people will know, so please feel free to... A: join in with voice, instrument, saucepans etc, or B: Shutter your doors and windows and hide under the duvet until it's all over!

I've shoved this through the door of most of Brook and Cross Street but please pass onto local friends if you like. I've put a downloadable copy of this songsheet on the website I use for my school teaching in case any one else wants a copy...
